

Greenbriar Children's Center's mission is to provide services which lead to the healthy development of children and the strengthening of families. We offer one of only two emergency shelters in Coastal Georgia for children ages 11-18 who are abused, abandoned, neglected or homeless. In addition, we operate three quality rated early childcare and learning programs for children ages six weeks to five years, as well as a Family Preservation program which provides free counseling and support services to families in need.

If you are unable to attend the gala, but would like to make a difference in the life of a local child by giving online, please visit www.greenbriarchildrencenter.org.

Thank you for your support of children and families in our community.

We would be honored by your presence at

Greenbriar's 75th Gala
